Hi Kelley,

Attached is the suggested Pohatcong OU3 IA Page 2 breakout with the updated indirect cost rates.

Matt Creamer is the PM for the Mattiace RA OS project.

Thank you

Rich

**Subject:** [Non-DoD Source] Update re: Pohatcong Part II Request

Hi Rich,

We're going to increase the amount on the new IA for Pohatcong RA OS OU3 to \$270k. Please provide a Part II breakout for that amount.

Also, we were told that NY is going to be sending a Part II breakout for Mattiace RA OS. I haven't seen that yet. We don't know the amount being requested.

Thank you!
